Documentation for File

Due to the COVID-19 outbreak, it was decided to host the annual meeting via email along with a Google voting document.

Bob Gardipee emailed all meeting materials along with a Google voting form. Homeowners were given until 9:40 p.m. on 10/13/2020 (a 24 hour period) to review all documents and complete the voting form for those agenda items requiring a vote. A quorum of 32 participants was achieved by the end of the 24 hour period.

In summary, the previous meeting minutes from 10/16/2019 and the Budget Report for 2021 were approved, and Trish Bodlovic was elected to serve on the HOA Board.

Items emailed to the membership included the following:

- 2020 Annual Meeting Agenda – included items as usual including brief explanations
